Information For Visitors

Springfield Hospital Center

Focusing on excellence in recovery

Springfield Hospital Center's goal is that every patient will recover and return to the community. Our expert staff works with patients to give them care and services that will help them recover. We ask you to follow these guidelines to help keep the hospital safe for everyone and a place of healing for our patients.

Accredited by the Joint Commission

Visiting hours:

Visiting hours are from 1:00 p.m. to 8:00 p.m. every day.

Identification:

Visitors must sign in and out with the security guard at main entrance to each patient building. Visitors will be given a visitor badge, which they must wear at all times.

Metal detector:

All visitors are required to go through the metal detector before entering patient care areas. All items that visitors want to bring into the patient care area must go through the metal detector and will be inspected by Security and Clinical staff. Any items that visitors refuse to have searched will not be permitted into the patient care area.

Storage of items:

Visitors will be asked to store coats, jackets, bags, and pocketbooks in cars or lobby lockers.

See our website at:

<http://dhmh.maryland.gov/springfield/>

IMPORTANT: Infection Control

Springfield Hospital Center makes every effort to protect our patients and employees from infection. Visitors are possible sources of infection, so we ask you to follow these Centers for Disease Control (CDC) Guidelines when preparing for a visit:

- Persons with any respiratory infection symptoms **should not** visit the hospital. Respiratory symptoms include fever, aches, headache, cough, sore throat, and nasal congestion.
- Adults should not visit for **5 days** following the onset of respiratory infection symptoms.
- Children should not visit for **10 days** following the onset of respiratory infection symptoms.

If a visitor has respiratory symptoms, he or she may be required to wear a mask or may be asked to leave in order to keep diseases from spreading. Please contact the patient's unit if you have questions.

As a visitor to Springfield Hospital Center, you will see this information about safety in all areas occupied by patients:

We work hard to keep patients safe and help them recover. To do this, we do not allow the following behaviors and items:

- Food and beverages of any kind
- Tobacco in any form and tobacco-like products
- Lighters and matches
- Cameras
- Cell phones
- Drug or alcohol use
- Drugs
- Items made of glass
- Items with alcohol in them
- Plastic bags larger than a sandwich bag
- Weapons
- Close physical contact with patients or staff
- Disregard for safety
- Disregard for privacy
- Disruptive behavior
- Harmful behavior towards patients or staff
- Verbal abuse

Visitors who do not follow these rules will have to leave the hospital.

Can I talk to the patient's psychiatrist or other Treatment Team members?

Springfield Hospital Center encourages family and support system participation in the treatment goals for the patient. However, we must protect each patient's confidentiality. A patient must give consent for Springfield staff to provide information to family members or significant others. Consent is voluntary and can be revoked at any time.

How can I reach a patient by phone?

Each unit has a pay phone that may be used to call a patient. The unit staff can give you this number.

May I send mail to a patient?

Mail may be addressed to: Springfield Hospital Center, 6655 Sykesville Road, Sykesville, MD 21784, ATTN: *Patient's name and unit*

Are children allowed to visit?

Visits by children under the age of 18 should be arranged with staff in advance in order to provide an alternate location for visiting, as children and adolescents are not permitted on the units.

Does the hospital have language interpreter services?

We take reasonable steps to have language services available 24 hours per day, 7 days per week, for all necessary services for patients with limited English proficiency. Interpreter services are available 24 hours per day, 7 days per week, for deaf patients. Family members and/or visitors may use interpreter services when visiting the Deaf Unit.

DIRECTIONS

From Baltimore/Points North:

Take the Baltimore Beltway (695) to Exit 18 West (Liberty Road/ MD Route 26). Travel 12 miles west to the intersection of MD Routes 26 and 32 (Eldersburg). Go 1 mile south on MD Route 32 to the hospital entrance on the left.

From Baltimore/Points South:

Take the Baltimore Beltway (695) to Exit 16 West (Route 70). Go about 12 miles to Exit 80 North (MD Route 32). Travel 5 miles north to the hospital entrance on the right.

From Western Maryland:

Take Interstate 70 East towards Baltimore. Take Exit 80 (MD Route 32) and travel north approximately 5 miles to the hospital entrance on the right.

Our Library is open to the public

Everyone is invited to use the Library at Springfield Hospital Center, which is open to patients, family members, staff and the community. It houses a medical collection and a general collection of books, journals, magazines and audiovisual resources. The Library is open for patients 8:30 a.m. - 4:30 p.m. every day except Wednesday, when the hours are 8:30 a.m. - 2:30 p.m.

Library phone : 410-970-7000 ext. 2481.
